

**Now
Introducing...**

Listen Out!!!

Greeting CCC Families!

Our 2010-2011 audition season has begun and we need your help to make it successful. Every year, a lot of our auditionees call because you spread the word about CCC!

This year, we have started a new initiative entitled *Listen Out!!!* This is an incentive program for you, designed to help us find more great singer families like yourselves for CCC. Through this exciting contest, singer families will be rewarded for each referral that they send our way.

**Our goal for each singer:
Refer 5 new families to our program**

Your new singer friends are just a *LISTEN* away.

Grand Prize

The singer with the most referrals that register will receive an iPod Shuffle or a \$50 iTunes card.

The singer family that successfully refers the most new singers who register with CCC for the upcoming season will receive a CCC package including, but not limited to: 2 free subscriptions to CCC's 2010-2011 performance series, a CD of our concerts, CCC shirts and possibly more.

Listen Out Cards

Singers that reach their goal of 5 family referrals (actual auditions) will receive a \$10 iTunes gift card.

Wouldn't It Be Sweet?

For every family referral that a singer makes, the singer will be recognized during rehearsal and receive a sweet treat!
